The Concept of Yin Yang

阴阳的概念

To Know the left and right is the great Dao
能别左右，是为大道；男女异位，故曰阴阳。

The Concept of Five Element

五行的概念

Macroscopic Differentiation of TCM

中医的宏观辨证

Discuss Preventive Treatment

论治未病

Oneness of Heaven and Humanity

天人相应

Preventive Treatment

治未病

Human is born on the Earth, his/her life is designated by the heaven. The Qi from the heaven and the earth combined together, this mixed Qi is the human.

人生于地， 悬命于天，
天地合气， 命之曰人。

Microcosmic Differentiation

微观辨证

It is a method of differentiation according to modern medical technology to test patients' endocrine hormone, blood, trace element etc.

所谓微观辨证，是采用现代医学先进的有关检测方法，通过微观进行深层次的辨证，以拟补传统辨证的不足，从而深化辨证内容，对诊断和治疗有重要意义
